KEIGHLEY SCOUTS EXPLORER BELT EXPEDITION

Event Sponsorship Form

In 2009 a group of Network and Explorer Scouts from Keighley are organising and undertaking an expedition to Europe in 2009 in order to achieve the highly coveted Explorer Belt. As part of the expedition the participants will be visiting the International Scout Centre at Kandersteg, Switzerland where they will have the opportunity to take part in a wide variety of adventurous activities, as well as meeting Scouts from across the world. From there the contingent will travel to Florence, Italy, where they shall undertake a major project, surveying the Florentine architecture. Whilst in Florence the participants hope to establish a 'twinning' with a group from the Italian Movement, Associazione Guide E Scouts Cottolici Italiani (AGESCI), with the hope that they could in turn visit Keighley at a later date.

In order to fundraise the £1,000 per person needed to achieve this exciting opportunity, we are going to Kayak and Cycle the County, from Lancashire to Leeds along the Leeds/Liverpool Canal, over the 4 day Easter Weekend. This will be an incredibly difficult feat that will challenge the participants physically and mentally so please support them as much as you possibly can!
